

JARO

DISTRIBUTION

Shaping the future of sales & overstock distribution.

Our mission is dedicated to assisting brands and distributors in the effective disposition of their overstock and surplus goods. Leveraging our extensive industry experience and a network of well-established channels, we provide tailored solutions to meet the unique needs of each client.

34+ Satisfied clients across the world

15+ Years of experience in IT distribution & overstock trading

About us

Our Mission

Our mission is to empower businesses by bridging the gap between suppliers and buyers through our extensive network, facilitating the expansion into new markets and regions. We specialize in identifying unique growth opportunities and crafting tailored market entry strategies. Our expertise in managing overstock and surplus goods ensures that we meet the specific needs of our partners, maximizing value and fostering sustainable business practices.

Our Goal

Our primary goal is to become the leading facilitator in the electronics distribution and brokerage industry, by consistently connecting suppliers with the right buyers and aiding companies in their expansion into new markets. We aim to utilize our vast network and industry expertise to efficiently manage and liquidate overstock and surplus goods, ensuring maximum value for our partners.

- ✓ **Credibility and trust building**
- ✓ **Client engagement**
- ✓ **Lead generation**

Services

Distribution Services

We provide an extensive array of distribution services, including managing inventory, orchestrating logistics, executing order fulfillment, and optimizing supply chains.

Market Expansion

We specialize in helping businesses expand into new markets and regions by identifying growth opportunities and creating customized market entry strategies.

Brokerage

Our strength lies in our extensive network, which enables us to expertly connect suppliers with buyers. This pivotal role has been our focus for years, and it's where we excel.
